TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 4, 1996

SUBJECT: **HB 2361**

This bill, if enacted, will create a 12-member advisory council to assist the Attorney General and Reporter in the development of uniform evaluation and notification guidelines, policies and procedures to govern the release of confidential information necessary to notify and protect the public concerning sexual offenders. Using these evaluation and notification guidelines, the district attorney general, the public defender and the chief of police or county sheriff will meet and evaluate an offender's risk factors upon release and notify the proper community agencies and entities concerning such offenders.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures. The amount of such increase cannot be determined but is estimated to exceed \$300,000 for staffing the affected agencies.
